

*Respond Power, LLC d/b/a Major Energy License number ESL-0124 issued by the New Jersey Board of Public Utilities. Major Energy is an independent retail electric and gas supplier licensed in DC, DE, MA, MI, NJ, NY, OH, PA, and IL and not affiliated with Atlantic City Electric. This offer is valid 7/20/25 - 8/31/25. The term of the offered product is 3 months. The price you pay for electricity supply provided by Major Energy will be a fixed rate during your initial term. Offered rate does not have any monthly service fees or early termination fees. Supply price does not include utility delivery charges, taxes or utility and government charges. No minimum usage or bill is required. Estimated savings of up to 15% based on Major Energy's rate of \$0.1599 kW/h compared to Atlantic City Electric's summer price to compare of \$0.1792 kW/h and winter price to compare of \$0.1879. Not all customers will be eligible for fixed rate pricing. Major Energy does not offer budget billing. Offered product meets NJ clean energy standards. Offers subject to Major Energy's terms and conditions of service and enrollment, including credit approval. Major Energy reserves the right to rescind this offer for any reason at any time. For detailed terms, limitations, restrictions, and conditions, respond to this sales product offer or write to us at 12140 Wickchester Ln Suite #100, Houston, TX 77079*
